## Gaming

192.com Business Services supply global age and identity verification solutions to a wide range of egaming companies. These companies are ensuring they remain socially responsible and compliant whilst at the same time reducing costly chargebacks.

Read our client testimonials below and see what our clients think of us.

“ We researched other options, but we found 192 Player-ID to be most suitable for our needs given the reliability, accuracy, and quality of service we receive. In fact, 192.com Business Services is the only third party service we use. With such robust checks in place we feel we're doing the utmost to ensure responsible gambling on our site. ”

“ 192.com Business Services made the whole process very simple. A dedicated team tailored the service to our needs. It was important that our call centre staff could carry out the checks quickly and easily. We have around 10,000 calls a day, so time is of the essence ”

“ Ensuring socially responsible gambling on our site is one of our top priorities, 192.com Business Services not only allows us to verify that our customers are of the legal gambling age, but also by default checks that they are not using a stolen identity. The industry has seen its fairshare of legislative setbacks over the past year, so we're doing everything we can to remain compliant and transparent about our responsible gaming efforts ”

“ The World Sports Challenge is committed to providing players and affiliates with the best of online gaming experiences. A vital factor in this is the creation of the safest and most secure environments for players. 192.com Business Services' age and player verification system helps us to achieve that goal and to meet regulatory requirements fully. ”

“ We selected 192 Player-ID to support our company's commitment to social responsibility in the gaming industry. Through its use, our business and customers also benefit from a reduced risk of fraud. Helping prevent identity theft while ensuring minimal impact on our customers is of the highest importance to us ”
